Remarks

Nestled on a picturesque, tree-lined street, this classic Tudor-style home built in 1920 combines timeless character with modern comforts. Step inside to discover beautifully refinished hardwood floors flowing throughout. First you're welcomed into a stunning library foyer adorned with a stained-glass barn door that opens to an inviting living room featuring a cozy gas fireplace. The spacious dining room, illuminated by French doors leading to the backyard, seamlessly connects to a chef's kitchen with extra-large cabinets & gleaming granite countertops. An elegant new powder room completes the 1st floor for added convenience. Upstairs, the 2nd floor offers three generous bedrooms and a fully remodeled bathroom with a luxurious walk-in shower. The 3rd floor boasts another private bedroom with a versatile bonus room, and a full bath showcasing a classic clawfoot tub. The finished basement provides flexible space for a playroom, hobby area, or home office, plus a laundry and half bath with outdoor access, along with ample storage and workshop potential. All landscaping has been thoughtfully refreshed, creating a vibrant outdoor oasis. In springtime, enjoy relaxing on the patio surrounded by blooming flowers and lush bushes. Completing this unique and enchanting home is a one-car garage.
